

2023 Aviation Performance Solutions (APS) Upset Prevention and Recovery Training (UPRT) Scholarship

Aviation Performance Solutions (APS), based at the Phoenix Mesa Gateway Airport in Mesa, Arizona USA, has successfully trained 1000's of professional pilots in fully comprehensive upset recovery skill development, more than any other training organization. For two decades, APS has been committed to giving professional pilots of all skill levels the highest quality upset recovery training available. APS offers comprehensive LOC-I solutions via industry leading web based, on aircraft, and full flight simulator upset prevention & recovery training programs. In addition to all flight training being in full compliance with the internationally recognized Airplane Upset Recovery Training Aid, Rev. 2, APS is the only Part 141 Flight School currently certified in the delivery of all of upset recovery, stall / spin and instrument recovery training courses worldwide. More information is available online at www.apstraining.com

APS is offering one Scholarship for their Professional Pilot Upset Training (PPUT) program to deserving pilots just embarking on their aviation careers. For more details on this program, please see:

<http://apstraining.com/program/professional-pilot-upset-training/>.

2023 UPRT Scholarship

Part 1: APPLICANT CERTIFICATION

Applicant Name (Last First Middle):

By my signature below, I certify that:

- ✓ I meet all Applicant Eligibility Requirements for the UPRT Scholarship.
- ✓ My application reflects an honest appraisal of my ability to complete the course
- ✓ My application is complete, true and correct in every respect.
- ✓ I understand that any misrepresentation, concealment or omission of required information is grounds for disqualification or withdrawal of the scholarship.
- ✓ I understand that no reimbursement will be made for travel/food/lodging expenses and I have the ability to pay for any and all such expenses.
- ✓ I assume full responsibility for meeting all deadlines and tracking the progress of my application through the review and selection process.
- ✓ That I understand and agree that upset recovery training (to include airplane upset prevention and recovery training, aerobatic maneuvering, stall training, unusual attitude, and/or spin training) being undertaken with APS will be conducted in an Extra 300L, and unlimited aerobatic aircraft. The activities may involve inverted flight, substantial g-forces and/or other flight attitudes not typically encountered in other regimes of flight training.

I further certify that, if awarded a Scholarship, I will:

- ✓ Formally acknowledge acceptance of the Scholarship
- ✓ Provide a color photo in jpeg format
- ✓ Sign a RELEASE and AUTHORIZATION to PHOTOGRAPH or OTHERWISE RECORD that will allow Aviation Performance Solutions, LLC permission to put the finished photographs, films, or videotapes, to any legitimate uses (e.g. marketing and promotion) it may deem proper
- ✓ Sign APS' Participation Agreement and Release acknowledging my assumption of risks of activity/release and indemnity.
 - NOTE: Releases will be provided when notified of scholarship award.
